Dear Ms. Morse,

Thank you for your generous gift to Susan G. Komen® Houston. We are grateful for your partnership in our work to save lives and end breast cancer forever.

Komen is the only breast cancer organization attacking breast cancer on all fronts – education, screening, treatment, follow-up care, advocacy and research.

Your dollars are going back into the local community for breast health services provided by local nonprofits so that uninsured or underinsured patients can be treated. As people come to us for assistance at different stages in their breast cancer journey, it is our goal to help them access the most cutting-edge diagnostics and treatments, regardless of their ability to pay. Additionally, we invest in breakthrough research for the hardest to treat and incurable cancers.

Despite tremendous progress in treating this disease, each day in our Greater Houston service area, nine individuals are diagnosed with breast cancer and two will not survive.

With your support, we can do better. Our 10-year goal is to reduce the current number of breast cancer deaths by 50 percent in the U.S. We are a community of people, inspired by one sister's promise, to end breast cancer forever and we will not stop until we have succeeded.

On behalf of the patients and survivors who will benefit from your donation, thank you.

Sincerely,

Marjorie S. Landry
Interim Executive Director
